MONEY RAISED GOES TOWARD EQUIPMENT FOR MINOR HOCKEY TEAMS

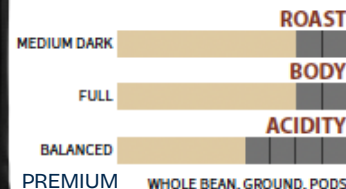

This classic espresso showcases our spirit of craftsmanship, with an earthy body, enticing aroma, substantial depth and a perfect crema.

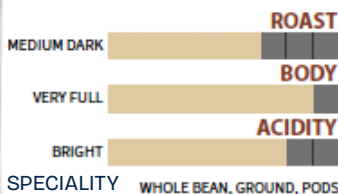

The coffee that put us on the map; a perfect blend of South and Central American beans roasted to a well-oiled, smokey finish. Bold, full-bodied taste with a growl.

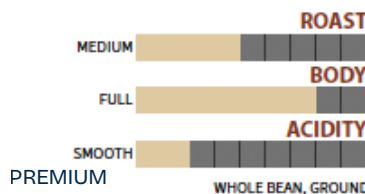

Rich, deep, well-rounded flavour and aroma, that captures the untamed spirit and natural beauty of Muskoka.

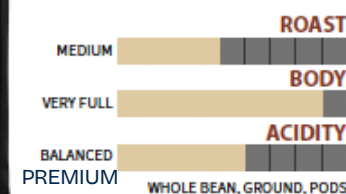

Aki is the Ojibway word for Earth and our inspiration for an Organic coffee that treats the earth and your palate with equal measures of respect.

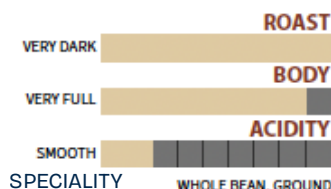

A well balanced coffee with a striking flavour, clean acidity and a nice aroma; just right when you are deep in the bush, or just sitting on the dock.

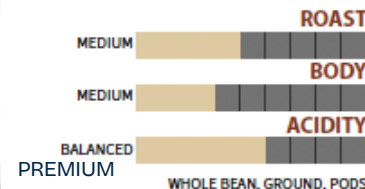

Subtle character and layers of taste. The inclusion of Kenyan in the blend gives the coffee a brightness with complex tones of fruit and berry.

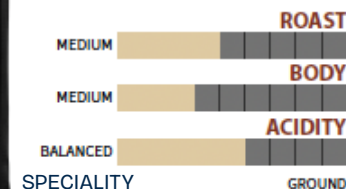

It's not just dark. It's TOO dark. Probably too dark for you. So dark that this coffee has its own dedicated micro-batch roaster. Vigorous and earthy.

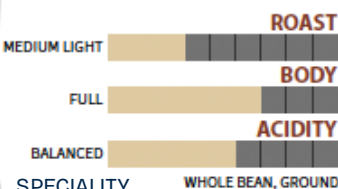

A blend of Central and South American coffees, with a taste and aroma that evokes memories of a beautiful Muskoka spring morning at the sugar shack.

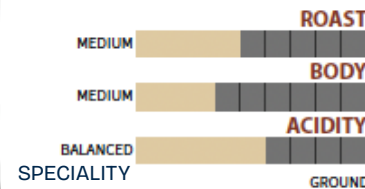

Our Nanaimo Bar is the perfect mix of rich chocolate, creamy custard, with a sprinkling of coconut - satisfy both your sweet tooth and coffee craving at once.

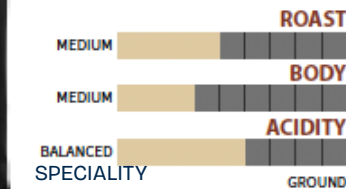

It's not just bright. It's SO bright. Layered and complex, this roast allows the coffee's floral, fruity notes, with natural brightness and acidity, to shine through.

Vanilla Hazelnut is a delightful balance of sweet and nutty; it's hazelnut aroma and rich vanilla taste will have you going back for seconds.

A decadent combination of sweet, creamy, buttery, brown sugar notes with a toasted pecan finish; this roast is both perfectly delicious and perfectly Canadian.
